ZÜRICH, AUGUST 21, 2025

Ginetta is closing its doors at the end of August

For a long time, we did everything we could to avoid this final step — but sadly, without success. What remains are beautiful memories: of past achievements, of nearly 500 wonderful clients and more than 1'500 exciting projects we had the privilege to bring to life together, of countless celebrations, gatherings, and shared moments. And so much more.

So today, we want to say thank you one last time. To everyone who has been part of our journey over the past 17 years. Thank you to all employees, clients, and partners. There are far too many to name individually.

It has been a remarkable time.

Thank you — and goodbye.

Sincerely,

Simon Raess
